

Mobile Broadband - Shared User Plans

If you thought you couldn't afford to go online on the go, think again. Three different usage plans with generous data limits mean wireless freedom is now truly affordable.

Share Your Data Allowance

Here's a great new way for you to cut wastage and get even better value. Vodafone Mobile Broadband for Business users can each choose either 1GB, 2GB or 5GB per month and the total of their combined data allowance is then shared, providing greater flexibility to cater for a mix of light and heavy users.

Advantages of Sharing Mobile Broadband

- Market leading value – Cost of total allowance significantly reduced.
- Market leading flexibility – Ability to mix and match 1GB, 2GB and 5GB plans.
- Market leading scalability – No limit on total number of users within your account who can share.

Mobile Broadband Allowance	Monthly Fee	Commitment Period	Device (24 month contract only)*
1GB	\$24.95	Month-to-month	None included
1GB	\$24.95	24 month contract	FREE Internet Stick or Data Card
2GB	\$29.95	24 month contract	FREE Internet Stick or Data Card
5GB	\$39.95	24 month contract	FREE Internet Stick or Data Card
5GB	\$59.95	24 month contract	Dell Netbook with built in Mobile Broadband

Usage Examples – Market Leading Flexibility

View the table below to see how you can share your data allowance among your employees.

Here's how it works: If you have 2 employees who each choose the 2GB plan - the total 4GB of data can be shared as you like – for example, one employee can use 1GB and the other 3GB.

Number of Employees	Plan Combination	Total Shared Monthly Allowance	Price per month
---------------------	------------------	--------------------------------	-----------------

2	2 x 2GB	4 GB	\$59.90
3	3 x 5GB*	15 GB	\$119.85
4	2 x 1GB, 2 x 5GB*	12 GB	\$129.80
7	6 x 1GB, 1 x 5GB*	11 GB	\$189.65
7	5 x 1GB, 2 x 5GB*	15 GB	\$204.65
12	11 x 1GB, 1 x 5GB*	16 GB	\$314.40
50	50 x 1GB	50GB	\$1247.50
100	100 x 5GB*	500 GB	\$3995.00

*Based on the 5GB \$39.95 24 month contract plan

FREE* Internet Stick or Data Card with eligible shared plans on 24 month contracts. Built-in 3G Broadband#

Data Usage

You use...	You get...
1GB Light	If you're a light user, you may use up to 1GB in data a month. Our 1GB Plan would give you enough data to download around 2,000 web sites, 2,000 emails, 1,000 documents and 100 video clips each month.
2GB Medium	Our 2GB Plan would give you enough data to download around 4,000 web sites, 4,000 emails, 2,000 documents and 200 video clips each month.
5GB Heavy	Heavy users should choose the 5GB Plan. That's enough to download around 10,000 web sites, 10,000 emails, 5,000 documents and 500 video clips each month.

Looking for Mobile Broadband for a single user? You'll find a range of Single User plan options available.

Terms and Conditions

(a) The Mobile Broadband Bundles provide a specified amount of data each month. A session starts when a customer first connects to the Data Services and ends when a customer disconnects from the Data Services. Included data awarded is for use in Australia only on Vodafone's GPRS and 3G networks.

(b) Customers connected to the month to month 1GB \$24.95 Mobile Broadband Bundle must be connected for a minimum of one full billing cycle. The minimum monthly access fee will continue to be charged and will continue to apply until the end of the month in which the customer notifies Vodafone that they want to discontinue the service.

(c) The \$24.95 1GB Mobile Broadband Bundle has a minimum commitment period of 24 months. The minimum total cost over the contract term is \$598.80. If a customer does not remain connected for the 24 month contract period, they will be subject to an EEF of \$12.50 x remaining months on contract.

(d) The \$29.95 2GB Mobile Broadband Bundle has a minimum commitment period of 24 months. The minimum total cost over the contract term is \$718.80. If a customer does not remain connected for the 24 month contract period, they will be subject to an EEF of \$15.00 x remaining months on contract.

(e) The \$39.95 5GB Mobile Broadband Bundle has a minimum commitment period of 24 months. The minimum total cost over the contract term is \$958.80. If a customer does not remain connected for the 24 month contract period, they will be subject to an EEF of \$20 x remaining months on contract.

(f) The \$59.95 5GB Mobile Broadband + Dell Netbook Bundle has a minimum commitment period of 24 months. The minimum total cost over the contract term is \$1438.80. If a customer does not remain connected for the 24 month contract period, they will be subject to an EEF of \$40 x remaining months on contract.

(g) Data usage is calculated per KB. Data usage over the included monthly data allowance is charged at \$0.10 per MB charged per KB (with a minimum charge per session of 60KB). Included voice credit cannot be used for excess data usage charges. Data usage over the included monthly data allowance will need to be paid for separately, in addition to the Minimum Monthly Spend.

(h) All Vodafone services are subject to local and overseas network limitations and availability and individual handset and device capabilities. 3G services are only available in 3G coverage areas with a 3G capable device. 3G available in selected metro areas of capital cities and some larger regional centres. Mobile Broadband available in 3G Mobile Broadband Zones. Typical download speeds between 300 kbps and 1.5 mbps. Burst speeds of up to 3.6 mbps may be experienced in some metropolitan areas. Slower access and download speeds may be experienced on Vodafone's 2.5G network and in regional areas. Individual customer experience may vary – data capacity, access and speed experienced may be slower than advertised speeds and can vary due to coverage, location, hardware and software configuration, capability and load of sites visited and general network and internet traffic. Some email and internet services may not be accessible. For the latest information on Vodafone's network in Australia or overseas, visit vodafone.com.au.

(i) When using Data Services, some internet and web sites and services and some email services may not be accessible.

(j) Handsets and devices purchased through Vodafone outlets in Australia may be locked to the Vodafone network. A fee may apply for unlocking selected handsets, visit vodafone.com.au or call 1555 for more details.

(k) Use of Vodafone services is also governed by the Vodafone Standard Form of Agreement which sets out in greater detail the terms and conditions which apply to the voice and data plans. For full terms and conditions of, and a full price list for accessing and using, Vodafone plans and services see the Vodafone Standard Form of Agreement at vodafone.com.au.

(l) For customers on contracts, although the contract (and liability to pay an Early Termination Payment, such as an Early Exit Fee and Handset Recovery Fee or Handset Early Exit Fee) commences with a customer's acceptance of the terms and conditions that apply to their selected Vodafone Cap, the commitment/contract period will not commence until a customer's service is activated.

(m) All prices and credit expiry periods are current as of June 2009 and are subject to change.
